Nancy – we just got the CEC Secretariat's final version of the New Orleans and Boston Council Sessions (attached). They both look like the public versions – though there is probably more on Boston than I forwarded earlier.

Hi Luis,

Attached is the formatted Council annotated agenda for both meetings. I am working today on finalizing the draft for Oklahoma City based on the run of show you circulated.

Regards,

Nathalie

Hi Nathalie-

Our Agency is looking at past CEC agendas hosted by the US. We have the public agendas from the CEC website. Would you have the agendas that include ministers/delegations-only events? If you could you send us the New Orleans/Boston ones? Thanks.
